# Inside the Mental Wealth Center

JaTaryia Thomas, Founder and CEO of CASH Prosperity Campaign, Inc. and GoGetHer Business Solutions. CASH Prosperity Campaign is a non-profit organization that was developed under the umbrella of 501 (c)(3)Express H.O.M.E. Program, Inc. in 2008 as a collaborative financial education and asset building coalition. Their mission is to help individuals and families advance their economic well-being and financial security. This mission is achieved through strategic public-private partnerships and customized asset building programs designed to meet the unique needs of individuals living in South Georgia such as the Volunteer Income Tax Assistance Program operated for the IRS from 2008-2017. In 2018, CASH PC expanded services to offer a Community Tax and Resolution Program. This allowed them to not only continue to offer the same great tax services to the South Ga communities, but also nationwide virtual tax prep, audit and tax resolution for a nominal administrative cost. In 2019, Thomas founded GoGetHer Business Solutions.

Thomas' services now include Virtual, Mobile & Traditional Tax Preparation, Tax Audit & Resolution, Grant Writing, Expungement & Warrant Clinic Facilitation, Legal Aid Referrals & Advocacy, Housing Counseling, Financial Education & Asset Building, Entrepreneurial Development, Bookkeeping Services, Mental Health Advocacy, Notary, Information Technology Business Solutions, Computer Repair and Diagnostics, Multi-Cultural, Workforce Development, Disability Outreach, Voter Registration and so much more.

Back to Africa was established as a means of reconnecting our people to Africa. As victims of slavery, we have lost our connection to the Earth and the Motherland; and Back to Africa seeks to bring a little bit of the Motherland to you!
