## **Thy Kingdom Come Ministries Church**

### History

On September 29, 2017 at approximately 4:30 am, Evangelist Gwendolyn Smallwood finally accepted the call that God had placed upon her life. The call of Pastoring God's people. After many years of preparation as a Servant in ministry and assisting other Pastors in leadership positions, she obeyed the call that she knew for some time was on her life. She then shared her acceptance news with her Pastor Robert Reynolds, who confirmed he knew as well that the call of Pastoring was upon her life.

On October 29, 2017, Pastor Reynolds ordained Evangelist Smallwood in the Ministry of Pastor. As she continued to work faithfully with Pastor Reynolds at True Born Church, in Pavo, Ga., God opened a door for Pastor Smallwood to start her own ministry. Thy Kingdom Come Ministries first Worship Service was held on December 10, 2017. She started having service on 2<sup>nd</sup> and 4<sup>th</sup> Sundays. God provided an open door for the services to be held at Sass Restaurant Event Building located at 420 West Jackson Street, Thomasville, Georgia. The owners, Rick and Suzette Wagner, were very encouraging. The Wagners' had recently extended their restaurant business with a new Event Building. Thy Kingdom Come Ministries' prayer was that God would richly bless the Wagners' newly renovated building with an overflow of business and events. God did just that!!! The building began to overflow with business and events so much that even Sundays were needed for booked events. We Praise God, for answering our prayers!!! Therefore, On May 12, 2018, Thy Kingdom Come Ministries, moved to a new location which God provided at a beautiful little Historical Church in Boston, Ga., located on the corner of Adam and Green Street. We had wonderful services at that beautiful Historical Church until July 14, 2018.

Through prayer and believing God, He opened another door. This time we were blessed with our own Church and property. On June 28, 2018, Thy Kingdom Come Ministries closed on property at 420 Colton Avenue, Thomasville, Ga. After a lot of hard work and dedicated members, we were able to have our first service on Colton Avenue on July 21, 2018. From that service to this one, we are truly and humbly Grateful to God for what He has done and for the wonderful people He has added to the Ministry. God Bless you and we Love you!!!

Blessings and Peace,

Pastor Gwendolyn Smallwood
